Welcome to Summer Theater Academy 2.3 for 2023!

2.3 = Two locations:

Island Theatre, Chincoteague, VA and Delmarva Discovery Museum, Pocomoke City, MD

Participant:

We look forward to a wonderful week of learning about theater, acting, character development, voice, singing, stage movement, dance, and other important elements that go into a musical theater production. Each day is filled with various aspects of theater, participating in group acting exercises, and rehearsing the play you will be performing **Friday, June 30th**. This will be a very full week of non-stop action! You will receive an individual photo “headshot”, which will work well for future auditions, and a cast photo. Please remember to bring your script every day and to give any notes we give you to your mom, dad, grandparent, or care giver. We will be sending notes for homework, costumes, and props needed for your character. **You also need to bring your lunch and a snack each day. Please let us know of any allergies or health issues that we need to be alerted to.**

PERFORMANCES FOR FANS AND FAMILY,

There will be performances by each academy on ***Friday, June 30th at 4PM*** at their respective venues. Doors will open for the audience 15 minutes prior to the performance. There is no cost for admission, however, we will be taking donations to help fund the 2024 Summer Theater Academy. There will be a small cast party the day of the performances, and cast/crew are to remain on site until all set, costumes, equipment, and trash are cleaned. We have an agreement with Island Theatre and Delmarva Discovery Museum to leave the facilities neat and tidy.

You may place an “ad” or message i.e., “Good Luck”, “You are the best (child’s name)!” in the playbill for your child or your business within the first 2 days of the academy. Any Staff Member can assist you with this.

Any questions or concerns please call 443-614-0830 the Academy Coordinator Kathryn Redden. Or her email: wkwredden@gmail.com .

Our academy teams look forward to a fun week. We are actors, directors, scenic design artists, painters, crafters, sound and lighting technicians and educators. Most of all we love spreading the theater experience in the region!
